WHERE SAFETY, ACADEMICS,
SPORTSMANSHIP
AND LEADERSHIP GO HAND IN HAND

Dear Local Business Leader:

The Ocoee Jr. /Sr. Football League are excited about starting the 2006 season. We have an estimated 400 children and all of their families involved in our program this year. The children range in age between 5 to 15 years old.

I am, as well as others from the Executive Board of Directors, are calling on you, the local business leaders to show support for the youth of our fine community. Your support is first, appreciated and furthermore, very important to our leagues continued existence. The league and other businesses in the area, like yours, remain committed to the youth of the community. With your help, we will be able to purchase new equipment, practice gear and safety product lines, just to name a few of the needs. All of which are critical to a safe and successful program. In the event, as in years past, some of the teams turn out to be competitive enough to advance in higher degrees of competition at the Regional and National levels. Therefore, we can, with the support of businesses like yours, send them to these challenges prepared, as they represent our hometown community.

Our Football & Cheerleading teams are ready, and are looking forward to a successful year. The Executive Board of Directors warmly welcomes your contribution; however, whether you elect to support our league or not this year, our Bulldog family invites you and your family to visit our field during the season on any given Saturday. You will find the entire event a wholesome family experience, full of fun and excitement for all.
